Dedication

A Special Angel

Claire Marie Krupica

"To everything there is a season. There is an appointed time for everything, and a time for every affair under the Heavens. A time to be born and a time to die, a time to plant and a time to uproot the plant, a time to weep and a time to laugh, a time to mourn and a time to dance. To everything there is a season and a time to every purpose under Heaven."

Field Hockey

The field hockey team had an excellent season this year finishing with a 13-3-1 record while also qualifying for the state tournament. This year's team was led by tri-captain Annie Sturgis, Laura Barbagallo, and Tracy Tabacco. An amazing defense commanded by goalie Nicky Pienta and outstanding backs Rebekah Eaton and Stefanie Boudreau helped propel the Lady Rangers to one of their best seasons. Seniors Melanie Bushnell and Tina Ibraheem provided additional strength in the forward line with help of junior Virginia Stacy and sophomore Kristen Belair while the three captains controlled the midfield. Merrimack Valley All-Conference honors were awarded to Laura Barbagallo, Annie Sturgis, and Nicky Pienta. Junior sweeper Blair MacDonald was also named Merrimack Valley All-Star for the second year in a row. Barbagallo and Pienta were named Eagle Tribune All-Stars as well. The team was guided by fourth year head coach Karen McLaughlin and assistant coach Joe Robillard.

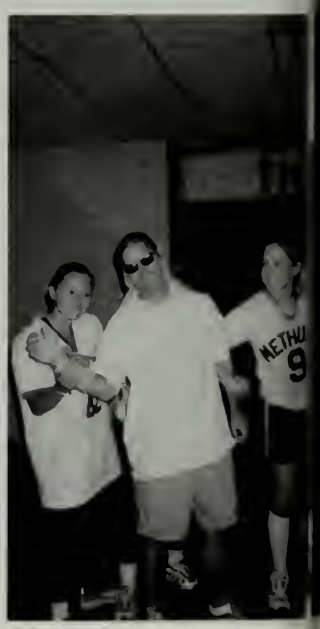
"Memory is the golden bridge



that keeps our hearts in touch

with all the long-past yesterday:

and things we loved so much!

Indeed it is the bridge of gold

that binds the past sublime

with happiest recollections

that join the hands of time!"

MITCHELL JOHN MYERS

We were proud of you, the moment you were born, and always will be!

We couldn't be more proud of you, from the little things to the big accomplishments. Swimming at two months old; everybody couldn't believe it! Especially your grandparents, who love you very much. Remember your first day of school? It doesn't seem so long ago. How proud we all were at your First Communion and Confirmation. I remember Dad's face, when you scored your first goal, he couldn't have cheered any louder and me with tears in my eyes. At twelve, you received your scuba license, the youngest in your class. Now, our boy is graduating from high school. It goes to show that when you put your mind to it, YOU can accomplish ANYTHING!

We've shared so many experiences together. Remember the camping experience with the mice? Parasailing with the jellyfish. All the movies we saw during school vacation; skiing with Dad, and seeing your sister being born, to mention just a few. This is only the beginning; we will share a lot more exciting times together.

Remember my favorite sayings:
"Home is the place where character is built, where sacrifices to contribute to the happiness of others are made, and where love has taken up it's abode."
- Elijah Kellogg
"One cannot collect all the beautiful shells on the beach, one can collect only a few, and they are more beautiful if they are few." - Anne Morrow Lindbergh

Years from now it will not matter how much money you have or what kind of house you lived in, but how much time you spent with your family.

Remember God gave you free will; choices to make; with prayer he will help you chose wisely.

You will never know how much we love you till you have a child of your own. Then you'll realize. Dad always brags to everyone that the world would really be overpopulated if everyone had a son like you, because you're such a good kid. Abbey loves you very much, even if at times it doesn't seem so. You're her "big brother" as she says it, "I love you Mitchell," Love Abbey. We wish you the best that life has to offer. Love, Mom, Dad & Abbey.

Laurie Daneau

Good Morning Jen,
The trip through this chapter was definitely too quick. It seems like only yesterday it was off to school for the first day. You've given us a lot of wonderful memories to look back on. Words of expression don't come easy for me, but I couldn't let this day go by without wishing you
'All the World has to offer !'
Share it, enjoy it, and learn from it for those Days. And, you will have them When Life gives you Lemons ???

I can't begin to tell you how proud of you I am. Congratulations on your latest success, graduating from high school. You have such a bright, I mean sun glasses bright, future.
